A web app that allows users to upload books they've read, search for books in the database and add comments.

- Built with Node, Javascript, Express, SQL, Handlebars.

Novice Chef | Repo: <https://github.com/BlakeGeo/novice-chef> | Site: <https://bt134.github.io/novice-chef/>

A web app for searching recipes with cooking instructions and video.

- Built with HTML, CSS, Javascript. Whilst utilizing MEALDB and YOUTUBE API's.

EXPERIENCE

Disability Support Worker

Dec. 2020 - Present

Avivo | Perth, WA

Support one individual in his own home and the community, providing full assistive care.

- Committed to create and maintain a positive environment to improve quality of life.
- Improved behaviour dramatically from aggressive to calm within a few months.
- Collaborated with coworkers to implement day to day structure and meal plan.
- Organisation of all reports, charts, medication administered.

Disability Support Worker

June 2020 - Present

Autism Association of WA | Perth, WA

Support an array of clients both at home and in the community.

- Comprehensive knowledge of every client's personal support plans, focusing on the individual's comfort, needs and interests.
- High aptitude for managing heavy workload whilst giving the highest standard of care to every client.
- Proven record of maintaining a positive approach towards clients, their families and coworkers.
- Assisted and encouraged each individual to reach their maximum physical and mental potential.

Server

May. 2019 - Oct. 2019

Old Spaghetti Factory | Banff, AB

Providing waiting service for hundreds of patrons each day.

- Working in a high pressure and high paced environment under extreme volumes, taking on parties of up to 20.
- Using a high level of initiative, ensuring an efficient and smooth work environment.
- Managed and organised customers and orders.
- Successfully resolved customer conflicts and problems when mistakes were made with orders and payments.

Line Cook

March. 2018 - June 2019

Saltlik Steakhouse | Banff, AB

Providing food for hundreds of patrons each night.

- Managed orders coming in, line structure and food cook times. Often 20-40 orders at once and kept the steak oven organised with 40+ steaks at any given time.
- Advanced from the bottom of the line to the top in 4 months.
- Shift leading, organising and delegating tasks to ensure smooth service.
- Assisted with food prep throughout the day and night, ensuring quality
